- Tournaments in **BOLD** type are the “Majors” and may require an additional entry fee.
- The Pro Shop reserves the right to make any changes to the schedule they feel necessary such as changing a team game to an individual game when inclement weather is in the forecast.
- The “Highfields Skin” is included with each entry fee. Each day there is a \$1 per player pool. Prior to play beginning we will draw a hole at random which is the “skin” hole. If there is an outright low net score on this hole, this person/team wins the pot. If not, the pot rolls over to the next day.
- Sign up deadline is by Tuesday evening at 5:00pm for the following weekend. Space is limited so don’t wait, sign up EARLY!!
- Get paid for your Hole in One. All Holes in One made in any official Inner Club event will be insured for a pro shop prize credit of \$1000.00! So now instead of making that career shot and having it cost you money (you may still have a bit of a bar tab) at least you will be walking away with a pro shop credit of \$1000.00!
- Qualifications for specific events: **Member/ Member:** must have a minimum of 3 Inner Club rounds played in 2018 in order to be eligible to participate. **Mini Member/ Member:** must have Two I. C. rounds played prior to first event and must have 2 rounds between events. **Club Championships:** must have a minimum of 5 rounds played at Highfields in 2018 in order to be eligible to participate. No exceptions.
- Closest to Pins – there will be two closest to the pin contests each official Inner Club day.
- Sweeps points are awarded for appearances each time you play and for all the teams placing. You will only receive the better of the 2 days points if “cashing” both days on a given weekend but will still get both days appearance points. Appearance points are 20 pts. each time you play.
- **Playoffs** will begin with the Top 70 players on points list after Aug 19. All points accrued in Inner Club will carry into round one of playoffs. Top 50 after round one will move onto round 2. Top 30 after round 2 will move on to final round. After round 2 each players points will be removed and each player will be seeded and have points assigned based on their standing. To be eligible for final round a player must have played in at least one of the first 2 rounds. Anyone that missed one of the first 2 rounds will be penalized by being moved down 5 spots in the standings. Playoff points list is available to see in the pro shop.
